

AHLA Star of the Industry FAQs and Category Information

Since the Gala's inception in 1993, the Austin Hotel & Lodging Association has maintained the tradition of recognizing and honoring excellence within the hospitality industry or those that have gone above and beyond to leave a positive impact on their guests, team and property.

Please complete the questions about your nominee to the best of your ability. These are very competitive award categories and a good, concise, well-written nomination is key to communicating the qualifications of a candidate to the judges

The judges will assign points based (1-10 scale) on your answers.

The judging panel consists of the Executive Directors of other Texas hotel associations and industry professionals with no affiliations or ties with the nominees.

Our judges have to make difficult decisions because every one of these nominees are dedicated, talented, and deserving individuals. The only information our judges can rely on is the information and details you provide.

Each winner will be recognized in front of their peers and awarded a coveted Crystal Pineapple Award in the Spirit of Hospitality. You don't want to miss this year's event!

DEADLINE for nominations – Thursday, December 6th
